# About LSBCA

London School of Business & Certified Accountants

Each year, hundreds of thousands of students pursue higher professional qualifications in Accounting and Finance to secure their careers. Since 2006, LSBCA has been offering the world's most sought-after professional courses in Accounting and Finance in India through face-to-face classes. Due to the increasing demand for online interactive classes worldwide, we are now introducing our online live interactive learning platform in the UK under the banner of LSBCA Globe.

## **Our Mission and Philosophy**

Our mission and philosophy, along with professional training, practical applications, career development, and personal training, are some of the key features that set us apart from others. Our teaching patterns align with our philosophy of providing the best services to our students.

## **Faculty Excellence**

We believe that the foundation of a good institute is laid on the strength of its faculty. Our dynamic and inspirational faculty is dedicated and committed to the excellence of each student. The personalized coaching techniques and the environment we provide include meticulously planned classrooms, access to books for research, and separate, silent study areas. This ensures 100% intellectual development for our students.

## **Commitment to Student Success**

At LSBCA, we are committed to fostering an environment where students can thrive. Our comprehensive approach to education includes a blend of theoretical knowledge and practical application, ensuring our students are well-prepared for the challenges of their chosen professions. We provide continuous support and resources to help our students achieve their career goals and personal growth.
